

# NHF'S BRANDS & PROGRAMS

*Through NHF, the entire inheritable blood disorders community can find the resources and support best suited to them.*

**Steps for Living** is the go-to online resource for life-stages education. With resources and tools divided by age groups, there are age-appropriate tips and tools for everyone. Visit [hemophilia.org/SFL](http://hemophilia.org/SFL) to learn more.

**Victory for Women** celebrates the voices of women in the inheritable blood disorders community and encourages expression, questions, sharing, and above all, the victory of standing up, speaking out, and being heard. Join the community at [hemophilia.org/vfw](http://hemophilia.org/vfw).

**Better You Know** is a website for individuals who may experience symptoms of a bleeding disorder but have not yet been diagnosed. The site offers risk assessment, tools, and other information regarding diagnosis and care options. Explore at [hemophilia.org/byk](http://hemophilia.org/byk).

**The Comprehensive Care Sustainability Collaborative (CCSC)** supports payers and hemophilia treatment centers in creating cost-effective hemophilia management models. Learn more at [hemophilia.org/ccsc](http://hemophilia.org/ccsc).

**Unite For Bleeding Disorders** raises funds and cause awareness through Run/Walk events in more than 40 local communities across the country. Sign up for your local event at [hemophilia.org/unite](http://hemophilia.org/unite).
