WGPPM INITIATIVES & RESOURCES FROM ATTENDEES

HEALTH CARE PROVIDER EDUCATION AND AWARENESS

ASOCIACIÓN PUERTORRIQUEÑA DE HEMOFILIA Y CONDICIONES DE SANGRADO

- We actively seek out opportunities to collaborate with healthcare providers, researchers, and organizations specializing in women's health. By forging these partnerships, we strive to enhance our programs, increase their reach, and improve the support and resources available to women. Our ultimate goal is to make a positive impact in the lives of women with blood disorders by addressing their unique challenges. Through ongoing efforts, advocacy, and community involvement, we aim to create a more inclusive and compassionate society that prioritizes the well-being and empowerment of women facing these specific health concerns.

BRIGHAM AND WOMEN'S HOSPITAL BOSTON HEMOPHILIA CENTER

- Our center has launched a Women's Thrombosis and Hemostasis Clinic. There are two sites (one for adolescents; one for adults).

CENTERS FOR DISEASE CONTROL & PREVENTION

- Partner through CDC's Cooperative Agreements with NBDF and HFA efforts to increase provider knowledge and awareness.
- Authored article in Journal of Women's Health "Bleeding Disorders in Women and Girls: State of the Science and CDC Collaborative Programs". [Bleeding Disorders in Women and Girls: State of the Science and CDC Collaborative Programs - PubMed \(nih.gov\)](https://pubmed.ncbi.nlm.nih.gov/35811111/)

DR. PERIOD HACKERS

- [@DrPeriodHackers](https://twitter.com/DrPeriodHackers) / Twitter
- I frequently give talks at healthcare institutions and national/international meetings to educate clinicians around normal vs abnormal menstruation and treatment options. I can make slides from these talks available on request.

EMORY UNIVERSITY

- Combined bleeding clinic with Center for Thrombosis and Hemostasis and Gynecology and Obstetrics at Emory

HEALTH CARE PROVIDER EDUCATION AND AWARENESS

FOUNDATION FOR WOMEN AND GIRLS WITH BLOOD DISORDERS

- Raising awareness and educating key healthcare professionals is the main focus of our mission.
- <https://www.fwgbd.org>

HEMOPHILIA FEDERATION OF AMERICA

- Provided an ECHO series to OB/Gyn's to educate about topics related to women with bleeding disorders <https://www.hemophiliafed.org/events/building-a-bridge-to-subspecialty-care/>

HEMOPHILIA FOUNDATION OF NORTHERN CALIFORNIA

- HFNC launched March is Bleeding Disorders Awareness Month when we sent our HTC's thank you cards via email with Starbucks gift cards letting them know how much we appreciate them and all they do for our community members. Then we sent kits for them to celebrate Bleeding Disorders Awareness Month including awareness postcards, red ties and MASAC guidelines on women and pregnancy. We asked them to take pictures with the ties and we featured them in our newsletter with an article and on social media.

HEMOPHILIA OF GEORGIA

- HoG Handbook > Hemophilia of Georgia
- Outreach nurse to travel the state to educate medical providers, clinics, hospitals, schools and consumers about women and girls with bleeding disorders

SHEMATOLOGIST, MD

- (@acweyand) / Twitter
- Give talks to general pediatricians and primary care providers, as well as at national and international meetings

ST. LUKE'S HTC IN BOISE, ID

- We recently initiated formal collaboration with our health system women's clinic for workflows to ensure timely referrals for HMB, hormone therapy etc.

WORLD FEDERATION OF HEMOPHILIA

- Launched a global initiative on WGBD Treatment and care – WFH - World Federation of Hemophilia
- Organizes biennial global summit Highlights from the first-ever WFH Global Summit on WGBDs – WFH - World Federation of Hemophilia
- Dedicated track on WGBD at its World Congress

HEALTH CARE PROVIDER EDUCATION AND AWARENESS

NATIONAL BLEEDING DISORDERS FOUNDATION (NBDF)

- **Better You Know** campaign and materials to raise awareness of signs and symptoms of a bleeding disorder and support women on their path to diagnosis, as well as to educate health care providers
 - For General Practitioners: Bleeding Disorders in Women & Girls: Screening, Testing, & Coordinating Care / BYK NO DEJE PASAR LOS SIGNOS. Los trastornos hemorrágicos en las mujeres y las niñas: detección, pruebas y coordinación de la atención médica
