Name of Applicant: [Last, First, Middle, Degree]

Abstract

The abstract should be carefully written and describe the scope and design of your project, including your hypothesis, aims, and summary of methods. This description is meant to serve as a succinct and accurate description of the proposed work when separated from the document. **The abstract must be limited to this space.**

Name of applicant: [Last, First, Middle, Degree]

Title of proposed project:

Lay Summary of Project

Please provide, in the space below, a summary of the proposed project suitable for a lay audience. If your project is funded by NHF, this description may be printed in NHF publications and on the NHF website. **[Do not exceed the space provided below.]**

Name of Applicant: [Last, First, Middle, Degree]

Letters of reference must be sent with this application.
[See instructions for suggested references for each fellowship]

Provide a brief paragraph concerning future career plans, including plans for clinical, academic, or research commitment to hemophilia. (Use only space provided.)

Description of proposed research project. (Continue as page 9 of this application and label each section as below. The limit is 8 additional pages. **Applications exceeding this limitation will be returned and not reviewed.** [See instructions for sections to be covered in the research description for each fellowship.]

Applicant's Biographical Sketch

Name of Applicant: [Last, First, Middle, Degree]			
Position Title		Date of Birth	
Education [baccalaureate degree, professional education, postdoctoral training]:			
<u>Institution and location</u>	<u>Degree</u>	<u>Year</u>	<u>Field of study</u>

Research and Professional Experience (List previous employment, experience, and honors. Then list all publications from the past three years and earlier publications that are pertinent to this project.) **DO NOT EXCEED TWO PAGES.** Attach additional page to this page and put name at the top.

Sponsor's Biographical Sketch

Name: [Last, First, Middle, Degree]			
Position Title		Date of Birth	
Education [baccalaureate degree, professional education, postdoctoral training]:			
<u>Institution and location</u>	<u>Degree</u>	<u>Year</u>	<u>Field of study</u>

Research and Professional Experience (List previous employment, experience, and honors. Then list all publications from the past three years and earlier publications that are pertinent to this project.) **DO NOT EXCEED TWO PAGES.** Attach additional page to this page and put name at the top.

Budget

 _____ (Date)

Name of applicant: [Last, First, Middle, Degree]

Assurances and Certifications for Research Involving Human Subjects and/or Vertebrate Animals

The applicant's institution has the primary responsibility for protecting the rights and welfare of human subjects and for ensuring the humane care and use of all animals in any research activity supported by the National Hemophilia Foundation, and of informing the Foundation of all relevant assurances and certifications. If an award is made as a result of this application, it is the responsibility of the awardee and the Institution to inform the Foundation within a reasonable time of any change in the research protocol.

By virtue of the signature on this application of an official authorized to sign for the Institution, the Institution is declaring that all applicable Federal, State, and Local regulations will be followed during the tenure of a grant awarded as a result of this application.

Consequently, this form must be completed and submitted with any application to the Foundation for the support of research. In addition, a copy of the approval letters signed by the chairperson of the Institutional Review Board (IRB) and/or the Institutional Animal Care and Use Committee (IACUC), as appropriate, must accompany this application. **No funds will be disbursed for any award until these materials have been received, reviewed, and approved by the Foundation.**

1. Human subjects or material will will not be used in this project.

If human subjects or materials will be used in this project, the following section must be completed.

a. The research project is exempt from IRB review. Provide reason:

b. The research proposal has been submitted to the IRB for review and approval:

is pending

was granted on ___/___/___ IRB approval number _____

If the IRB review is pending, approval must be obtained and documented prior to funding.

c. The "Assurance of Compliance" number issued to the applicant's institution by the Federal Office of Protection from Research Risks: _____

2. Vertebrate animals will will not be used in this project.

a. The research proposal has been submitted to the IACUC for review and approval:

is pending

was granted on ___/___/___ IACUC approval number _____

If the IACUC review is pending, approval must be obtained and documented prior to funding.

b. The "Assurance of Compliance" number issued to the applicant's institution by the Federal Office of Protection from Research Risks: _____

Name of applicant: [Last, First, Middle, Degree]
